Carrying Case:

The Carrying Case is designed to store and protect your DS Lite system.

Screen Protectors:

The Screen Protectors are designed to protect your DS Lite's screens from dirt and scratches.

1. Remove the backing from the Upper Screen Protector (colored border on white backing)
2. Carefully place the self-adhesive Upper Screen Protector onto your DS Lite's upper screen
3. Remove the backing from the Lower Screen Protector (clear backing)
4. Carefully place the self-adhesive Lower Screen Protector onto your DS Lite's lower screen

Stylus:

The Stylus can be used with all your favorite touch sensitive games. The Stylus can be stored inside the DS Lite's casing.

Car Charger:

The Car Charger can charge your DS Lite from any car power outlet.

1. Connect one end to the DS Lite's DC input.
2. Connect the other end to your car power outlet.

Note: Refer to the DS Lite's user's guide for charging times.
